Need to file a claim? visit asurion.com/amazon to get started, or call our experts at 866-551-5924 .

Frequently asked questions (FAQs)

What's covered by my plan?

Drops, spills, and cracked screens are covered from the date of purchase for portable products only. All other breakdown coverage begins after the manufacturer's warranty ends.

What's not covered by my plan?

Your plan does not cover loss, theft, intentional damage, cosmetic damage (unless it impedes functionality), and replaceable components (removable batteries, light bulbs, etc). The plan does not cover drops, spills, and cracked screens unless it is a portable product. Please see the [terms and conditions](#) for a complete list of what is not covered.

How do I know if my product is portable and includes coverage for drops, spills, and cracked screens?

Portable products can easily be carried and are intended to be transportable.

When does my plan start?

Your plan starts the day you purchase your product and continues for the term indicated on your order confirmation email.

What about the manufacturer's warranty?

Your plan does not replace the manufacturer's warranty, but provides additional coverage during the manufacturer's warranty period. After the manufacturer's warranty expires, the plan continues to provide some of the manufacturer's benefits as well as additional benefits. If you experience a breakdown covered by the manufacturer's warranty, please contact the manufacturer. If you have any issues contacting them, we are here to assist you.

Where do I get more information?

Check out our [FAQs page](#).

Sincerely,
Asurion Protection Plan Team

We hope your experience was a positive one

and that you'll want to share it with family, friends, and the Amazon community.
